Accommodation Transfers

Besides driving yourself, there are two main options for arriving in Swaziland: flying from Johannesburg, or taking a shuttle from Johannesburg, Nelspruit or Durban.

Note: If you are flying into JNB from elsewhere, and need to connect to Swaziland, you may find that a shuttle is faster than flying. In addition to the wait and flight times, it will take you another 1.5 hours to reach the Gables Shopping Centre with the airport shuttle (from there you can be met by REDI for transfer to your hotel).

If arriving by air (at King Mswati III International Airport, Swaziland)

A shuttle is available at King Mswati III airport and makes stops in Manzini, in the Ezulwini Valley, and in Mbabane. If you're staying in our suggested accommodation, buy a ticket at the desk near the airport exit for the stop at Gables Shopping Centre in the Ezulwini Valley. It will cost E40.00.

If you notify REDI in advance of your travel plans, you will be picked up at the Gables Shopping Centre and taken to your accommodation. Gables is about 8km away from the conference venue and recommended lodging. If you do not notify REDI, public taxis are available from Gables to Malandela's and Willows Lodge at about E100.00.

Contact person: Dr Sikhomba Gumbi (+268) 76020602 / +268 24046121
Email: info@redi.co.sz

If you're staying somewhere else, please ask your hosts about options.

If arriving by shuttle (for more information on these shuttles, see the following pages)

- from Johannesburg, buy a ticket to the Gables Shopping Centre in Ezulwini and proceed as outlined above.

- from Nelspruit or Durban, you may want to spend some time before or after the conference somewhere other than near the venue. Dr Gumbi can help you with a custom solution.

Whether you're leaving by air or long distance shuttle, your shuttle will depart from the Gables Shopping Centre, and REDI will transfer you there from your accommodation on the day after the conference if given advance notification.

Johannesburg/Nelspruit/Durban-Swaziland Shuttle Information

If you are traveling from Johannesburg, there are two service providers:

TransMagnific <http://goswaziland.co.sz/index.php> and

Skyworld <http://www.skyworld.co.sz/>

Both offer multiple departure times each day, and various departure points, including OR Tambo International airport and Sandton. Prices are similar.

If you are flying into JNB from elsewhere, and need to connect, you may find that a shuttle is faster than flying. In addition to the wait and flight times, it will take you another hour and a half to reach the Gables Shopping Centre (where you can be met by REDI for transfer to your hotel) with the airport shuttle.

Travel time is estimated to be 4.5-5 hours. This depends also on your point of departure.

See their websites to see which suits you best.

If you are traveling from Nelspruit, you'll have to plan a longer stay, as the shuttle only travels Fridays, Saturdays and Sundays. Why not take advantage of the opportunity to get to know Swaziland a bit better?

Both of the companies listed above provide service.

Travel time is around 2.5-3.00 hours.

See their websites to see which suits you best.

If you are traveling from Durban, you'll have to plan a longer stay, as the shuttle only travels to Swaziland on Saturdays and Mondays, and returns on Fridays and Sundays. Why not take advantage of the opportunity to get to know Swaziland a bit better?

Only TransMagnific <http://goswaziland.co.sz/index.php> offers this service.

See their website for details.

Please make your own bookings!
